CAREER HISTORY

SOLUTIONS CONSULTANT (PERMANENT)

ADOBE

Apr 2019 to Present

Supporting the Adobe Sign enterprise and mid-market sales team in Northern Europe, the Middle East and Africa. I help clients accelerate and automate their business processes by leveraging the power of Adobe Sign's e-signature solution. Directly helped to deliver over \$900k revenue in my first year. Exceed sales target by over 105% for 2 consecutive years.

Areas of expertise include REST API integrations, Office 365 automation and 21 CFR Part 11 compliance.

My day-to-day responsibilities include;

- Conducting solution discovery workshops with customers
- Assessing opportunity solution risks, and reporting product enhancement requests
- Conducting effective product demonstrations and customer-facing technical presentations
- Conducting enablement sessions for account executives (specifically how to effectively demonstrate Adobe Sign)
- Mentoring newly-hired solutions consultants

Technical Environment: Javascript | PHP | RESTful API | Power Automate | Sharepoint | Power Apps | Salesforce | jQuery | Ajax | AWS - EC2 | AWS - S3 | AWS - CloudFront | Git | GitHub

FRONT-END WEB DEVELOPER (CONTRACT)
